CR. GINIFER RESPONSIBLE FOR NEW LEGISLATION

Elected to State Parliament only last October, Cr. J. J. Ginifer, MP, is already responsible for legislation introduced to the House.

As a direct result of his maiden speech made towards the end of last October in the Legislative Assembly, amending legislation was introduced in February of this year.

Cr. Ginifer has been able to obtain amendments relating to long service leave entitlements for public servants, teachers, police and other government employees.

In his maiden speech Cr. Ginifer pointed out several anomalies which existed when teachers were elected to parliament (Cr. Ginifer was a teacher prior to his election in October as representative for the electorate of Grant).

He drew attention to the fact that if a member of the teaching service who has accrued long service leave entitlements resigned, he could not receive a lump sum payment in lieu of the leave he could have taken. In industry an employee is entitled to a lump sum payment.

The security of superannuation is also taken away from a teacher entering parliament. On his election he loses all superannuation rights and does not come under the Parliamentary Pensions Fund until he has been a member for eight years.

During the second reading of the Bill which will enable payment in lieu of long service leave resignation or dismissal the Premier (Sir Henry Bolte) said the Member for Grant (Cr. Ginifer) was responsible for directing this matter to the attention of the Government.

The Premier said he presented the measure to the House with an apology. It could have been enacted earlier.

He repeated that his attention was first directed to the matter by Cr. Ginifer in his maiden speech.

However, as the legislation is not retrospective Cr. Ginifer will derive no benefit.

Mr. Bolte suggested the Government could extend the principle embodied in this Bill to superannuation.

He said it is apparent that at present a public servant or an officer of any Government instrumentality is, because of restrictive legislation, almost debarred from standing as a candidate for Parliament.

During the debate of the Bill Cr. Ginifer expressed his pleasure at being given the opportunity to speak because the legislation would be amending long service leave provisions for teachers, public servants, police, and mental health employees, and similar provisions will probably be made for railway, fire brigades and Country Fire Authority employees.

He said it was four months since his maiden speech when he drew attention to what he considered restrictive legislation as far as members of the teaching service were concerned. Although he referred specifically to the teaching service, Cr. Ginifer said his remarks applied to other persons employed in the government service.

The fact that the amending legislation will not be retrospec-

tive is regarded by Cr. Ginifer as a reasonable provision.

He said: "When I entered this political arena, I knew the rules and I was happy to abide by them. Having been elected to Parliament, I felt that it was my duty to direct attention to any anomalies which existed."

In conclusion, Cr. Ginifer said: "I am delighted that this Bill has been introduced only four months after I referred to the need for amending legislation. Within four months, the Government's thoughts have crystallised into the introduction of his Bill, which will eliminate the restrictive provision affecting persons in the Government service."

SCHOOL CHILDREN LEARN HOW TO MAKE A BALLET

A suggestion from Miss Angela Ridsdale when infant mistress of the Altona Primary School has led to a notable innovation in the Education Department.

Based on her ideas, a program designed to teach children how to make a ballet has been officially approved by the Department.

The original suggestion for the program was made by Miss Ridsdale, of Altona Primary School, to the Victorian Ballet Guild.

The Guild then developed a program "Making a Ballet" which was first presented to young students from the Altona school.

Pupils from other schools in the Shire also took advantage of attending performances.

Since then several thousand school children from all over the metropolitan area have seen "Making a Ballet" at the Ballet Guild Theatre in Carlton.

Through the medium of popular ballets such as "Peter and the Wolf," children are encouraged to participate in all aspects of stagecraft from scenery to make-up. They then watch a complete ballet presented by the company's professional dancers.

Following the outstanding success of the project, the program has been approved by the Victorian Education Department.

Many bookings have already been made by schools for this year's series which has been extended to five ballets catering for all age groups from kindergarten to matriculation.

RATES ARE DUE

Ratepayers wishing to avoid paying interest on their rates have only until next Monday, April 10, to settle their accounts.

The civic offices are open 8.30 a.m. to 4.30 p.m. on week days.

Interest will be charged on all rates unpaid at the close of office hours on Monday. The interest dates back to last December when current rates were due.

Eleven Records Broken

Eleven records were broken by swimmers at the Altona North Technical School's inter-house swimming sports held last month.

The winners, Green House, scored 311 points, followed by Blue 271, Gold 269 and Red 176. Best swimmers were—

Garry Walsh (Green House) (Under 12): Two records, plus relay;

Don Moon (Green House), Under 13: Two records;

Colin Mead (Gold House) Under 14: Won three events;

David Kenny (Blue House) Under 15: Two records;

MORE PEOPLE CAN VOTE

Many more Altona residents are now entitled to vote at council elections.

Entitlement for enrolment on the council rolls has been extended by amendment to the Local Government Act.

All husband and wife occupiers of the same property are now BOTH entitled to enrolment on the municipal roll.

If previously the husband only was enrolled, the wife is now entitled to apply for enrolment. (This also applies in reverse—if the wife only was enrolled the husband may apply.)

Where more than one couple occupy a property, up to three tenants and their wives (or husbands) may be included on the roll.

However, inclusion on the roll is not automatic.

Wives (or husbands, as the case may be) must lodge an application in writing at the civic offices.

New Property Agents

Two very old established house and land agents are commencing business in Altona.

J. R. Buxton Pty. Ltd. has opened a branch office in Millers Road.

Farnbach Burnham & Co. has purchased the business of **R. Logan & Co. Pty. Ltd.**, operating in Pier Street.

That two such reputable firms have taken this step at this time is co-incidental, but not at all unexpected.

The rapid growth of Altona in the past will be dwarfed by dramatic development in the near future.

PHOTOGENIC BABY COMPETITION

A competition to find Altona's Most Photogenic Baby is being run during the month of April by the Apex Club of Altona.

Prizes for the winner will be a framed portrait of the child to be taken by a professional photographer, a trophy and a photograph featured on the front page of the "Altona Star."

The 40c entrance fee includes a Polaroid instant colour or black and white photograph to be taken at Ian Herbert's Pharmacy, Pier Street, Altona.

Entry forms (on Page 2 of this paper), photograph and entrance fee may be left at Herbert's Pharmacy.

Closing date is April 30. Entries will be judged by an experienced member of the Al-

In working out the number of votes to which each is entitled it is necessary to halve the net annual valuation of the property concerned and allot half to each person.

BROTHERS WIN TENNIS TITLES

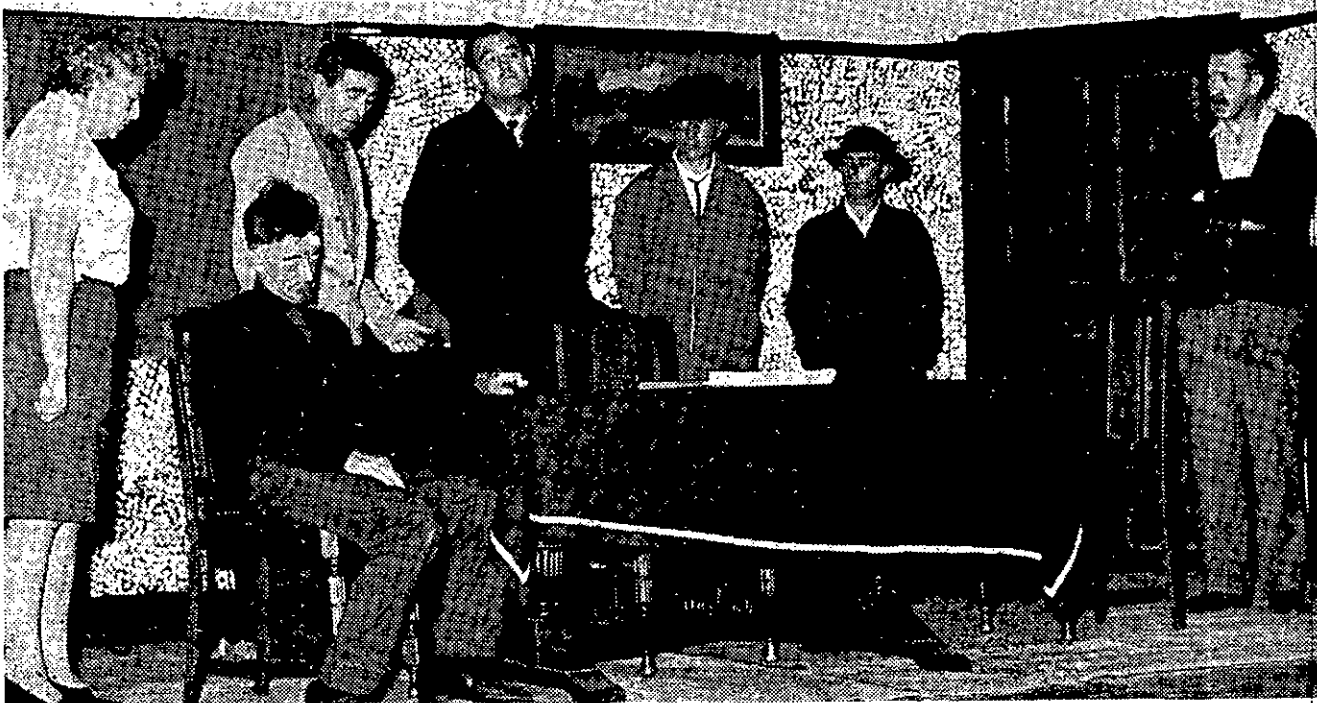

Two Altona brothers, 16-year-old Michael and 19-year-old John Kelly both won senior events in tennis tournaments conducted over Easter.

Playing at Yea, Michael, partnered by Ian Turner, of Elsternwick, won the A Grade Doubles and was defeated in the A Grade Singles semi-final by the eventual winner.

John won the B Grade Singles at the Korumburra tournament.

In the recently played Western Suburbs A Grade Singles title Michael was narrowly defeated by a top seed player, Ron Doull, of Yarraville. He lost 5-7 in the third set.

PASSION PLAY PERFORMERS

Only one of the cast is off stage in this scene from the Passion Play "Angels Unawares" recently presented in the PRA Auditorium. Missing is Cheryl Marsh who played the role of the daughter, Madge Fisher. On stage are (left to right): Margaret Barrow (Anna Fisher), Richard Ross (the Jew), Reg Featherby (Harry Grimshaw), Les King (Mr. Ferris), Ron Coleman and Ray Price (dockyard police) and Os Nette (Peter Fisher).

EDITORIAL

WE APPEAL TO YOU

The general all over appearance of Altonas' residential areas is good.

In the great majority of cases nature strips are kept in order and a general tidy aspect is apparent.

However, in some streets a few non-conforming residences, and in many places blown paper litter, are much too evident.

Litter is particularly bad in the north-south highways such as Millers Road and also on the rail lines in Railway Streets.

As well as clean beaches, we need a clean streets campaign.

Many are already co-operating in keeping their own areas tidy. But unfortunately vacant allotments are most unsightly.

The wind blown contributions on them are not Acts of God. They are caused by man (or boy or girl).

The "Star" appeals to all to play their part first in not making the problem worse and then in removing some of the litter.

It may be that some will not co-operate therefore we perhaps should say, "Play your part and a little more."

We are not to judge why the appearance of many streets are badly affected by a few unkempt nature strips.

Perhaps in some of these places infirmity or other lack of capacity has caused apparent neglect. Neighbourly aid might be possible.

Altona is no worse than other municipalities in these regards.

With your help it could be much better.

Altona Win Cricket Grand Final

In an interest-packed game right until the last ball was bowled, Altona defeated Altona North at Digman Reserve in the C Grade cricket grand final.

With both sides scoring 116 runs each in the first innings, Altona North resumed its second innings at two wickets for 17 runs.

The rain-affected wicket helped Altona bowlers Dick Conradi and Ken Martin to get plenty of bite.

Aided by some great fielding by Darryl Goucher (three catches), Ray Duckett and the rest of the team, Altona North were dismissed for 49 runs.

Conradi (5/27) and Martin (4/22) bowled unchanged right throughout and did a great job for their team.

Altona, needing 50 runs for victory and the premiership, commenced disastrously, Duckett Goucher, Barry Critchley and Joe Mildenhall, all good players, were back in the pavilion with only six runs on the board. Tension had already grown to fever-pitch.

Wally Martin was next man in and after being dropped off the first ball he received, he went on to score a great 29 runs for his team. When he went out Altona only needed seven runs. Dick Conradi (8) and Kevin Flett (3) both made valuable stands with Wally.

Seven wickets were then down for 47, leaving three runs to win. Max Stephens and Jack Blockerus got them with little difficulty to give Altona victory.

Altona North are to be congratulated on a wonderful effort in this game. They fought right to the finish. As this is their first year in the Turf competition, plus their youthful side, they are certain to be a force to be reckoned with next season.

CHEAPER THAN YOU THINK!

Newspaper advertising costs so much per inch down a column. But the cost is not so many cents.

It is the cost of reaching thousands of people. An advertisement with your name and your message will cost 50 cents or more.

But it will be costing a tiny fraction of a cent to reach every person who reads your message and who buys your product.

SUMBLER-TOTTLE MARRIAGE

A honeymoon in the Blue Mountains and along the Hawkesbury River followed the marriage of Alwyn Tottle, elder daughter of Mr. and Mrs. C. Tottle, of Bayview Street, Altona, and Edward Sumbler at the Methodist Church on Easter Saturday.

The groom, who has been living in Queen Street, Altona, is the only son of Mr. and Mrs. H. Sumbler, of Jerilderie, NSW.

A gown of white crepe with French ribbon lace bodies and sleeves was worn by the bride. Her full length veil was held in place by a pearl and diamante coronet and she carried frangipani flowers and a Bible, a gift from her parents.

Bridesmaid was the bride's sister, Beverley Tottle, who wore a similar frock to the bride only in lemon crepe and French ribbon lace.

Page boy was Keith Cameron, a cousin of the bride.

Mr. Eddie Cameron was the best man.

The bride's mother wore a pale blue crimplene ensemble and the groom's mother a teal blue ensemble.

A reception for 130 guests was held at the Methodist Hall.

The couple plan to live locally.

The bride is a nursing sister and only finished her midwifery examinations the week before her wedding.

Interesting Talks At Camera Club

Although the speaker was unavailable for the scheduled talk on wedding photography at last week's meeting of the Altona Camera Club, the night was not wasted.

President Jim Merrills gave an impromptu talk ranging from flash to what to buy in the way of equipment.

This led to a lively discussion with many queries being answered.

Peter Hodges then gave his views on the use of a meter. He did this in a very illustrative manner. With the aid of his Weston Master he displayed the way to get the most from a meter as a photographic tool.

The evening wound up with a critical survey of the prints entered for the recent display held in the library.

A number of pointers arose from this and members were shown some of the pitfalls to be avoided in exhibition work.

The next club meeting will be on April 14, at 7.15 p.m. at the Homestead, Queen Street.

Children's Fancy Dress Night

A fancy dress night be being held by the Altona Guides and Brownies in their hall in Civic Parade tomorrow night, April 7, at 7.30 p.m.

P.R.A. DONATES \$800 TO SPACE APPEAL

Pictured receiving the cheque from Mr. W. Yeo, general manager of Petroleum Refineries Australia are (from left to right), Miss Dorothy Simmons and Mrs. Marilyn Shields.

It could have been a scene out of Cape Kennedy, when Mr. W. Yeo, general manager of Petroleum Refineries (Australia) Ltd., presented a cheque for \$800 to the Footscray and District Hospital.

But in this case, the people receiving the cheque were not astronauts but two space girls, Mrs. Marilyn Shields and Miss Dorothy Simmons, who are helping the Hospital's Space Appeal.

Known as the Golden Space Girls, they arrived at PRA's refinery in Altona with their spaceship, to accept the donation.

This now brings PRA's contribution to \$1000, which will be followed by a further \$1000 at a later date.

The spaceship was used by the hospital in the Moomba Festival, to draw attention to their appeal. The object is to raise

\$150,000 to build a 40-bed wing.

The Government will subsidise the appeal.

Mr. Yeo said PRA makes regular contributions to the hospital, but the cheque was a special donation for the Space Appeal.

"The hospital provides us with full emergency service for which we are very grateful, although of course we do not want to make use of this at any time," he said.

Third Aust. Title to West Newport Marchers

Three Australian titles won in three successive years is the outstanding achievement of the West Newport Marching Girl's team—the Flamingoes.

At the Australian Championships held at Hobart over the Easter week-end, the Flamingoes, won their third successive Australian title, a feat only achieved by one other team, the famous Westfarmers from Western Australia.

The team's leader, Toni Jorgensen missed creating another Australian record, that of winning Champion leader in two successive years, by one point—the closest any girl has ever come to the winner.

The team created another record as it is the first Victorian junior age team to win the display section of the titles.

Overcoming a particularly bad draw in the field of 60 teams, the Flamingoes produced a flawless exhibition of marching to take 1st, Best Team — 1st, Championship — 1st Display — 1st Aggregate — 2nd Best Leader — 3rd March Pass.

In three successive attempts the team has won the midget title (1964) and the junior title (1966 and 1967), proving themselves one of the best teams ever produced in Australia, and a credit to their instructors and chaperone, Mr. and Mrs. E. Jorgensen, of Jubilee Street, West Newport.

Next season, providing sufficient girls and funds are available the Flamingoes intend trying to create yet another record by winning the Senior section of the Championships in Perth, W.A.

This has not been attempted before — the same team winning the midget, then junior title and going on to try for the senior title. However, if this feat is possible, these are the girls to do it, always providing the finance is forthcoming to get them to the West!

Mr. Jorgensen, who is also Senior instructor of the Melb. zone is very pleased with the results of the Australian Championships, 63 placings over the three grades, 34 were won by teams from his zone.

He particularly congratulates the teams from Footscray, Sunshine, Maidstone, Braybrook, Laverton, Essendon, Jacana, Fawkner and Newport.

Parents of girls in these areas who are interested in their daughters joining teams in the

8-18 years age group can contact Mr. or Mrs. Jorgensen on 391-3739 and they will be informed of details of their local group.

Team members of the 1967 Flamingoes were Toni Jorgensen (leader) Joanne Jorgensen, Pat James, Judy King, Jennifer McLaren, Jillian Proud, Petra Stoian, Barbara Hastings, Norma Taylor, Raylene Tobin, Gail King and Maxine Cattanaach.

TABLE TENNIS NEWS

WINTER PENNANT 1967

On present indications, the Western Suburbs Winter Pennant competition will commence during the latter part of April with thirteen grades and seventy eight teams.

The schedule of matches is now being finalized, with a view to printing of fixtures and distribution to all clubs and players. There are no vacancies in A, B1, B2, B3, C, grades.

An odd vacancy for individual players occurs in the lower grades, and enquiries in this respect should be made at the Centre, Garden Street, Williams town, or to Secretary Ron Arnott, 74 Poole Street, Deer Park (393-1663) or (65-6863).

Altona Workingmen's Club, favoured with a splendidly equipped club and all facilities, will again be represented with two good teams, C3—G. Camilleri, W. Binding, G. Porter, J. Petersen, D3—A. Raymond, Trudy Reissmann, Susan Pow.

Altona North Technical School, with a combination of staff and pupils, enjoyed a very successful year in 1966-67; this winter their teams will include C Cass, G. England, K. Fraser in C3, and F. Tedesko, C. Smith, C. Karakatsch, G. Wilson in D2.

Credit is due to teaching staff, notably John Wild, Ken Peake, for the manner in which they have encouraged their pupils to progress at this sport.

Altona Youth Club will be represented by Max Baldwin, J. Nisbett, P. Gates, B. Duncan, K. Bingham. This is another indication of the community interest in youth activities at Altona, and this Youth Club has facilities and instructors of very high standard in this sphere.

The Hayes family team, comprising parent Gordon Hayes and children John, Stephen, Helen, had a most successful year, winning the premiership convincingly in E4; this winter they have advanced to D3.

Although they will meet much stiffer opposition here, the youngsters have progressed in technique and must be given a good show of taking out their second premiership in a row.

DIVISION 3.

The formation of Division 3 is already underway, and the Association is anxious to hear from prospective teams in the Sunshine, Braybrook, Footscray, Deer Park areas.

A brief outline of the various fees etc., are:—

Application Fee: \$5.00 per team. A club may enter as many teams as they so desire.

Players' Registration Fee: \$1.50 per player.

This includes the Association's badge and registration with the Victorian Darts Association and the Australian Controlling body, the Australian Darts Council.

Match Fee: 30 cents per week per selected player.

The number of players per team is 8, and clubs may register as many players as they so desire.

A club with 2 or more teams cannot play a player in all teams, he signs for either No. 1 or No. 2 team.

All players have the opportunity of representing the Association in Inter League matches and being selected to represent Victoria in the Australasian Championships conducted each Easter on a roster basis in each State.

In 1968 Victoria travels to Perth and in 1969 Victoria, being the Host State, will stage the Championships in Melbourne. Interstate Clubs are requested to contact the Public Relations Officer, Bob Rose, on 65-8221 (8 a.m. to 4 p.m.) or 68-0214 after 5-30 p.m. or write to the Box Number, and a set of the General Rules, Regulations will be issued.

Division 3 scheduled to commence play on Thursday, June 1, 1967. Twelve teams are required to form the Division, so it will be a matter of "first in, first excepted" basis, so don't delay your enquiries.

WESTERN SUBURBS DARTS ASSOCIATION

With the return of the State team from Adelaide, all teams had their full complement of players.

A shock defeat was recorded by Yarraville Club when they "trounced" Altona Working Men's Club.

Yarraville should have won the match in the singles leg—but their bad finishing spoilt their chances — especially R. Thomas who was down to 61 after 5 darts and then "crashed" to lose the game in 42 darts.

The standard of play was well below the usual form—only 4 "tons" thrown for the night.

R. Thomas (Yarraville) 171, H. Hoskin (Yarraville) 140, E. Atkins (A.W.M.C.) 140, E. Sharp (A.W.M.C.) 100.

Once again Central 2 gave a "walkover" to their opponents. The League will have to look into this matter and give a ruling as to how many "walkovers" a team can give.

4th AUSTRALIAN CHAMPIONSHIPS.

The Victorian team at this Year's Championships did not prove a force, as hoped, and did not win a match. Although the scores did not always indicate the game.

In the singles Mat Banovitch tried for the "Hat Trick" but was eliminated in the second round by the eventual runner-up, a team mate Terry O'Dea.

Mat won the title in Sydney in 1965, and in New Zealand in 1966.

Barry Delbridge of South Australia defeated Jerry O'Dea in the final in 3 straight games.

HOCKEY RESULTS

UNDER 12
ALTONA v. BRUNSWICK

Some very promising juniors were discovered when the U-12's had an easy victory over Brunswick.

The team consisted of four of Altona's last year's premier side and seven playing their first game of hockey.

Captain John Forrester was far too strong for the inexperienced opposition and repeatedly broke through to attack the goals, he was capably supported by Stephen Breen, Glen Groves, and Ken Bennet who at every opportunity forced the ball forward.

Special mention should be given to young Stephen Breen on being one of the best in his first game.

Final score: Altona 5, Brunswick 0.

Goals: J. Forrester, S. Breen, net.2.

Best: J. Forrester, S. Breen, K. Bennet.

UNDER 14
ALTONA v. TOORAK

The local lads settled in early and looked the far better team with plenty of well directed passes on the forward line.

Geoff Carruthers sent many passes to his forwards which resulted in two goals in the first half.

In the second half the forwards once again found the net from a through pass from Carruthers. The A's netted two more goals making the final score 5-1. This side showed great potential with accurate hitting, plenty of passing among the forward line.

Goals: P. Burns 2, G. Carruthers 2, G. Richardson 1.

Best: R. Pratt, R. Heaney, G. Carruthers.

UNDER 16
ALTONA v. TOORAK

From the bully the game started in typical fashion of an Altona-Toorak match. Altona although passing well, did not take advantage of the new rule. Toorak penetrated the Altona defence and a goal resulted.

Altona did not settle down with backs Wal Lenszsyn and Ian McClellan mis-hitting the ball and frequently giving "sticks". Altona made moves forward from a pass from Ian Bennet, Bill Duncan took advantage of this and scored a well timed goal.

The game ended in a 1-1 all draw.

Goals: Bill Duncan.
Best: Bill Duncan, Robert Bryne, Wal Lenszsyn.

NEXT WEEK'S GAMES

U-16 v. Waverley

U-14 v. Waverley.

Both matches are at Royal Park.

Teams to leave post office at 8-30 a.m.

Letter to the Editor

Dear Sir,
On reading Mr. Mildenhall's letter to the Star, I had a feeling he may have been hinting that to be interested in real estate was a sinful occupation for a councillor.

But, seeing that in the past he has shown how he likes past historical events, perhaps it would not be too big of a strain for him to remember that the first Altona Shire Council contained real estate agents and large property owners, and I am sure no one could say that they got Altona off to a bad start.

I am sure it would not be dignified for our councillors to answer such letters in a paper per same medium.

There are two good reasons I can see for this film:—

1. To let the Altona people, who are being forever confronted with complaining letters in the paper really see what is going on in our shire in the way of progress and how they are benefitting from the rates they pay. 2. To attract to Altona people who, are interested in living in a shire with a future, not just those who are happy to stagnate.

One thing I am glad to read in Mr. Mildenhall's letter was, that with the advent of the Lower Yarra crossing ahead, will stop Altona going nothing.

That should afford us some protection from the progress knockers.

Yours sincerely,
VERA V. WELLS.

ALTONA SPASTIC AID SOCIETY

The next meeting will be held on Tuesday, April 11, at 1-30 in the Homestead, Queen Street.

We would welcome new active members and ladies with ideas for raising funds, for further information ring the Secretary 398-1138.

Mrs. V. Clark, 27 Chifley Avenue, Seaholme, was winner of the blue boy doll, beautifully dressed and donated by Mrs. Jackson, Raynor Street, Altona.

There were not sufficient tickets sold at our last street stall so we decided to carry it over to our March Social Evening, when the lucky ticket was drawn

Our sincere thanks to those kind folk who continually support our work. We would appreciate the attendance and support of the parents of our Spastics, this would be a great opportunity to meet the folk who continually support the work to benefit their afflicted child or adult as the case may be.

A little support is better than none. And will prove with us that a busy life is a happy one.

L. OAKES,
Secretary.

Maroon's Hard Earned Draw

Although Altona were superior in every department in their match against Ringwood last weekend the "Maroons" were held to a draw.

Altona started off by kicking up hill but played attractive soccer.

Wilkie at centre was burning, Perry and Balish were putting it on a plate and the Ringwood goal survived an early onslaught.

Coles seemed to be receiving some harsh treatment—on two occasions he was pulled down.

Copley was playing centre half for the first time. As Ringwood came more into the game their was Copley like Ayr's Rock—solid.

What a season for Copley! He did not put a foot wrong in the match against Ringwood.

Altona's first goal came as the result of good play. Percy passed to Coles, he opened it up to "Prof" Wilkie and in raced Coles. The keeper came out and the "Prof" coolly chipped it over his head for a great goal.

A few minutes later number two goal was scored as the result of good leading up work by Herman to Wilkie, on to Kovacs and a low grounder deceived the keeper.

The Maroons looked home but just before half time Ringwood broke through to score a goal.

Kicking down hill in the second half caused the Altona players to lose the initiative for a while during which time the equalizing goal was scored by Ringwood.

For the rest of the game it was all Altona.

Kovacs missed three open goals—one from the goal line. Coles scored a good goal which was disallowed by the referee.

Barry Abbott and Andy Rice both moved upfield and had shots for goal which missed.

In the dying stages Grecco took a corner kick on the right, up jumped Wilkie, a great header flew just over the bar.

Altona Reserves played a hard game leading 3-1 at one stage.

However, they finished the game 3-3. Rosenberg scored two good goals, the other was scored by Robert McFarlane who once again played well.

Next Saturday Altona plays Melbourne University at Kim Reserve.

Seniors at 2-45 p.m. and Reserves at 1 p.m.

INTERVIEW WITH Mr. DICK SMITH

At a recent interview with Mr. Dick Smith, a spokesman for the newly formed Lalor Branch of the Australian Party, stated that he felt sorry for Mr. Lee, the Federal Member for Lalor, it was obvious that he had the sweet smell of Canberra in his nostrils, and like his leader was intoxicated with it, making him unable to notice the pungent odours from the gutters at Brooklyn Hostel, which were there recently when an inspection by Australian Party members was made an invitation of residents, it was difficult to tell which omitted the foulest smell, the gutters and amenities at the hostel or the adjoining industry.

The potatoes at the meal could have been eaten with a straw owing to the watery substance that they had been turned into, no wonder many residents possess electric fry pans to replace the meals supplied by the Authorities.

Mr. Smith remarked that it was the first impression that decided whether migrants stayed or returned to their land of birth.

When asked what basically the Australian Party was, he replied it was a party with idealism tempered with realism, and which placed value on the individual, he went on to say that the Political power of this country belonged to the Australian people not foreign investors.

He went on to saying that he felt that the unusual number of demonstrations of late were evidence that the people were unhappy with the lack of Parliamentary representation and this prompts the Australian Party to promote better Government for the Australian peoples thus A.P. means Australian Party for the Australian people.

Letter to the Editor

Dear Sir,
The President of the Victorian Architects Institute is strongly in favour of multi-storey flat development as housing for both lower and middle income groups.

What he and other advisers to Victorian Liberal Government over-look is the unsuitability of of community flats to a family with dependent children.

During my travels around this electorate, I spoke to the people living in the Housing Commission flats between Cecil and Aitken Sts., Williamstown, and obtained some idea of the problems for the families living in multi-storey flats.

Mothers with small children have to be constantly alert to prevent accidental falls from high windows or down stairways. The playing area for children is necessarily limited to the small square of ground on which the flats are built, and is bounded on three sides by roads carrying fast moving traffic. The essential privacy that exists with a house is missing due to the closeness of the units and the common sharing of the facilities. The normal incentives for the head of the family to take pride in maintaining his own home and garden are not there.

The ingredients that made crowded tenements, built in the last century into slums, are all present in the multi-storey flats.

The D.L.P. is convinced that decentralisation of industry and administration is essential for this State. New industries must be induced away from Melbourne into suitable country locations. The work force that will follow industry will benefit from the availability of cheaper land to build a decent house. Melbourne will benefit because expansion outwards into the far distant suburbs and upwards into multi-storey flats will cease.

Yours faithfully,

JOHN BACON,
D.L.P. candidate for Williamstown Electorate.

REAL ESTATE FIRM MOVES IN

J. R. Buxton Pty. Ltd. has commenced business at number 1 Millers Road, Altona.

Mr. Bob Jenkins, Melbourne Manager, will be in charge.

Buxton's was originally established in South Melbourne in 1861 and opened the Melbourne office in Collins Street in 1898. The firm has branches in Moorabbin, South Melbourne and Sandringham.

Up to now all business affecting Altona has been done from the Melbourne office. The opening of a branch in Altona is warranted by the known progress in the locality.

The business was founded in 1861 by a Mr. Buckhurst. His nephew, Mr. J. R. Buxton, at the age of 18 years, joined the firm. After a few years he became a partner.

Buckhurst and Buxton operated in Melbourne's fast developing years with outstanding success.

In those decades land booming was rampant, but J. R. Buxton established a reputation for integrity.

Together with other reputable agents he worked hard as also as his sons and grandsons) to build up a standard and a code of ethics in the profession.

Early land sales were an event.

A newspaper of that day reported:—

"Every land sale brings hundreds. And it is mostly to be attributed to the iron horse which now brings the suburbs to the metropolis. Saturday afternoon is the time usually chosen and the public having been well informed by means of lengthy advertisements and flaming posters, the auctioneers and their assistants proceed to the ground by special train or horse drags.

The crowd is still larger when a free lunch is provided. For a free lunch every kind of vehicle brought the crowd—linkers, buggies, drays, furniture vans, dog carts and the elegant andau.

"Too many came just to eat

and drink like the gentlemen who knicked off the head of a bottle with a knife, drank, chattered, stayed to see a lot or two disposed of, pronounced the champagne refreshin', the brandy nipplin', lit their pipes or cigars and left."

Mr. Buckhurst retired in 1892 and the business was then carried on as J. R. Buxton and Co.

In 1900 Richard Buxton, J.R.'s eldest son, commenced in the firm at the age of 16 years and thus began the succession of sons and grandsons which is still maintained.

The present directors, Messrs R. R., D. R. and F. N. Buxton, are all grandsons of Mr. J. R. Buxton and great great nephews of Mr. W. Buckhurst.

With a century of business completed in 1961, the firm has maintained its position as one of the leaders in real estate in Victoria.

In charge of the Altona office will be Mr. Bob Jenkins who has been an Altona resident in his home on the Esplanade for eighteen years.

He has seen Altona grow from a ward of Werribee Shire to an outstanding suburb. As manager in Collins Street and with the firms ramifications in eastern and southern Melbourne he takes an objective view of local potential. This in spite of his ingrown preference for Altona.

"I love the place," he said. "It is terrific."

He is of the opinion that Altona has more prospects than any other place around Melbourne.

The western suburbs contains the most highly concentrated in-

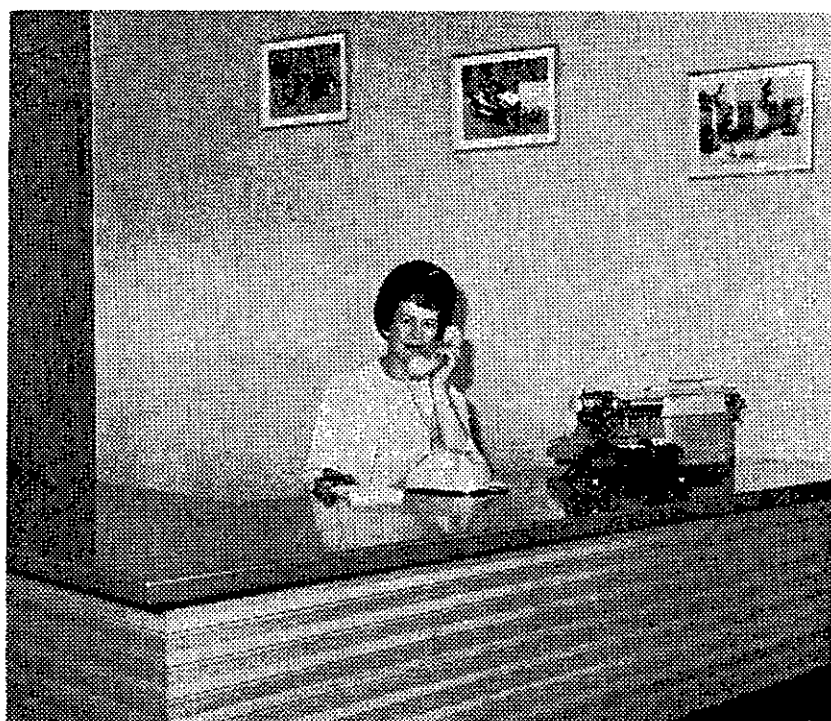

dustrial complex in Australia. Most of these industries are within easy reach of Altona.

Altona will go ahead.

On the one hand there is the industrial Slough Estates and other new industry and on the other the development of the Truganina Reserve, Notla Estate and the old Laverton subdivision.

Mr. Jenkins' previous experience as a building contractor, particularly in the western suburbs, has given him a strong appreciation of the standard of homes in this area.

He shares with his directors absolute confidence in Altona and its future.

Mrs. Berice Jenkins sits at her reception desk at J. R. Buxton's new Altona office in Millers Road. The modern, comfortable styling can be readily seen.

Footscray Firm Expands

Farnbach, Burnham and Co. which has acquired the estate agency business of R. Logan and Co. Pty. Ltd. is the oldest and largest business of its kind in Footscray.

Established in 1872 by Mr. Farnbach the firm has without doubt made a substantial contribution to the history and growth of Footscray.

Throughout the years its premises at the foot of the Footscray Station ramps have been in continuing operation for the benefit of Footscray and western suburbs people.

During the years a number of small businesses have been acquired. The most notable being that of Mr. Burnham whose name forms part of the firm's title.

The opening of an Altona Branch is an innovation in the general policy of the firm.

Altona will be the first branch, the first time business has been directed other than from the

Footscray address.

The firm has already conducted a considerable amount of business in this area. By coming to Altona it is felt a more adequate service can be rendered to clients.

The Altona manager is Mr. Ron T. Jones, F.R.E.I., who has been associated with Farnbach, Burnham for 12 years. Mr. Jones aged 31 years is married with three children. He is vice-president of Footscray Jaycees.

The business of R. Logan and Co. Pty. Ltd. was founded by ex-councillor Reg. Logan who sold it some years ago to Mr. Frank Kopacka. Mr. Kopacka retained the company name and has now disposed of his interests to the incoming firm.

Another Bowls Pennant Win

Last Saturday Altona (3) met Heathmont (3) at Ormond Park in the final game of the pennant series and were successful in winning 88-80.

Following the rain and cool weather of last week the green at Ormond Park was very true but a little soft.

Both teams had ends of particular brilliance but there were times when the bowling was very difficult and many shots were excitingly close but failed to get the desired result.

The Ormond Park Club made all visitors welcome and everyone in attendance enjoyed the day.

Rink results were as follows:
L. O'Donnell, J. Cox, W. Ingalls, J. Flynn—20-26.

L. Crofts, K. Andress, H. Bromley, W. Walsh—19-19.
A. Webster, G. Harris, B. Hamish, T. Burke—18-23.

H. Blair, H. Harris, W. Condon, M. Deegan—31-12.

At the conclusion of the game Cr. Turner, representing the Royal Victorian Bowling Association, presented the winner's trophies and pennants to the president of the Altona Club, Mr. T. Burke. Mr. Burke suitably responded to the kind words and congratulations of the R. V. B. A. representative.

The young Altona Club can be justly proud of its achievements in the short term of its existence—three pennants won by men and one by the ladies.

Many much older clubs—one dating back to the 1800's—have not as yet won a pennant flag. Not only fellow bowlers but readers of this paper will no doubt join in congratulations for this team and hope that the club will go on to further successes, after the winter recess.

LIFE SAVING CLUB

The official Life Saving Season has now ended for 1966-67, but for the next week or two members will be using the Clubhouse at week-ends providing the weather is good.

No date has yet been set for the commencement of indoor swimming training at Richmond Baths.

SUCCESSFUL CAR TRAIL
The Social Committee staged a very successful Car Trail to Diamond Creek last Sunday and although the number of participants was disappointing, the weather and good organisation ensured a very pleasant day for all who took part.

The winning driver was Jim Morgan of South Melbourne Life Saving Club who received a combined barometer and thermometer. Second was Ian Connolly who won a voucher on Mellett's Store. The respective navigators, Miss Barbara Allen and Mrs. Leigh Connolly received boxes of chocolates.

The only competitors who opened the 'Panic Envelope' were the car load of old dodgers. They got lost around the jail though they did have a good run through Epsom. Bob and his five navigators spent a lot of time looking for a none existent glue factory and missed the check point.

Following a barbecue lunch a ball kicking competition for the men resulted in win to Eddie Kip and for the women, Aileen Hudson, whose kick put some of the men to shame. All that two of the old 'uns got was pulled leg muscles.

The ball throwing competition was won by Rod McDonald. Later in the afternoon a game of forfeits created a lot of hilarity.

On returning to Altona all

members called in and cleaned up the hall which had been left in a disgraceful condition by the hirers of the hall on Saturday night.

The Social Committee is already laying plans for another Car Trail in the near future, when it is hoped more entries will be forthcoming.

CLUB PICNIC

Members are reminded that the Club Picnic is being held on Sunday, April 16, the venue being Hanging Rock.

All members intending to go must have their names in to the Secretary, Mrs. N. Bryne, telephone 65-8846 or H. Kip, by Saturday, April 8, so that arrangements may be made for buses and catering. There is no charge for members but friends may come along for \$2 which includes a barbecue lunch.

PICTURE NIGHT

Tickets are available for the film "Sound of Music" at the Paris, Bourke Street, on Monday, April 24, at \$1.60 each. Contact H. Kip or any member of the Social Committee.

PRESENTATION NIGHT

The Presentation Night will be held in the Clubhouse on Saturday, May 6, from 8 till 11-30 p.m. Presentation of Trophies will commence at 9 p.m.

A full scale Working Bee will be held on Sunday, April 30, at 10-00 a.m. and a good turn-up of members is expected.

DONATIONS

The club gratefully acknowledges a donation from R. J. GILBERTSON PTY. LTD.

By RON COLEMAN

How many of you watched "Project 67" on television last Sunday night when one-time world surfing champion Midget Farrelly was asked what he considered to be the trend in young men today?

He quickly replied that today's trend in young men is one of "Breaking-away" But what are young people breaking away from? Reality, tradition, responsibility or from the position of leading a healthy straight forward life.

The fact that world drug traffic is increasing all the time shows that there are many who seek a form of escapism from a life that bears all too much confusion and worry for them.

Cigarette smoking is a mild form of drug taking which relaxes the average person but although life today is one of growing confusion it is not quite so

harsh that a young person is doomed to be a "bag of nerves" by the time he or she is 14.

Undoubtedly the biggest "breaking-away" by young people is from tradition but this is most necessary if we wish to progress in life.

Common examples of this are seen in long hair on males, bare footed uni students, way-out fashions, "go-go" jargon, modern dancing, entertainment today, and the coming to power Sharpies, Mods, Rockers, Jazzers, Surfies, Stylists and Protest singers etc.

Young people have been known to escape responsibility by suicide, (in desperate cases), living a life of exile and solitude in remote places or by merely leaving home and drifting from job to job and city to city in search of something they very seldom find — a purpose in life.

However, strange though it may seem most rebels do have a purpose in life — to get as many kicks as they can, while they can. They may find ecstasy in a glass of beer, sex, a good brawl or by wiping off a brand new M.G. given to them last birthday by their parents.

These forms of entertainment are diversions from a world that offers so much that the average young person is bored.

Bored with watching television and cinema shows in which heroes have all the fun, going to dances where all you can do is listen to wild music, dance and talk to girls instead of pulling the place apart.

The young person is constantly looking for something new to do and it must be unconventional because young folk today have had everything possible in the way of entertainment at a very tender age.

Consequently many of them burn themselves out before they reach 21.

Is this the young person's fault? No, not really for he is born into an age where although he is better educated than his parents he is more confused.

There are more choices of occupations, entertainment is provided, one doesn't have to make their own these days and in general parents are much easier with their children.

AGE LIMIT

In order to maintain the rivalled prestige of this uncolumn it is necessary to point out that while anyone and everyone is entitled to read this page at their own risk membership is only open to teenagers and upwards.

The reason for this is the number of seven year olds applying for membership is increasing at an alarming rate and we do not have enough space on the page for nursery rhymes.

BIKE-BOY'S BIRTHDAY

Well known Altona ide Johnny "Angel" became enough to vote when he presented with the keys to a car (his own) at a 21st birthday party thrown for him by parents on Easter Monday.

The hundreds of guests included Mods, Rockers, Sharpies and Folk Singers, where was Johnny's old friend Ivy?

Entertainment was provided by John himself accompanied by his 4½ string guitar. (The I'd put a good word in for as he did invite me to party).

Nonchalantly sipping a glass of invalid stout Johnny stated his father did not present with the keys to the house he owned them since he turned 14.

"Runway-69"

"Runway-69" a new fortnightly dance series in Laverton officially launched at the Memorial Hall in Railway Ave last Friday when the featured group was "The Individuals".

These boys all come from different areas but their headquarters is in Newport and lieve me they're going to places. At the moment they are the resident group of the S.A. Discotheque in Braybrook claim that the Sharpies make them feel on edge when they are playing.

The "Individuals" played on Friday night and half on Friday night and half on Saturday night.

Guest artist on the occasion was Johnny Angel had them all swinging with version of "Long Tall Sally".

Overall attendance at dance left much to be desired but considering it was held on a Friday night and the fact that there were three dances in Laverton last week and at Werribee on Sunday things could have been worse.

"Runway-69" alternates another fortnightly dance by the Laverton Progress Association who feature R.A. group known as the "Phaetons".

So, as the Association held dance on "All Fool's Day" week "Runway-69" will open this Saturday, April 8, (8-00-11-30 p.m.) admission 60c. Feature group this Saturday will be "The Eternals" these boys are all from Altona.

DISC - DIARY

A group called "The Gr Escape" played at the Werri dance recently and stunned the boys with their attractive female organist.

They have a recording called "The Easy Life" apparently this is going quite well for them at the moment.

Last week I mentioned a record by "The Masters Apprentices" called "Undecided," apparently this was released far back as December, but till now it didn't sell.

However, after the group started promoting it with personal appearances it took Freddie and the Dream latest hit "Hello, Hello" a swell number and while Don seems to prefer bananas to boys like tangerines.

Yet another Adelaide group is clicking, this time it's "Harts" (no relations to the Harts) (no relations to the Harts).

Their record "Little Girl" released a week ago and "Herman's Hermits," should enable it to catch on a bit.

Brooklyn Marching Girls Tour Tasmania

Fifteen members of the Brooklyn Marching Girls Club spent a wonderful five days in Tasmania at Easter. They left Essendon Airport on Friday morning for Launceston and stayed there overnight after a tour of the surrounding districts.

The next day they travelled to Hobart, having lunch at the Great Lakes on the way. They stayed at Sandy Bay and had a swim at the back door of the hotel opened out right on to the beach. They were lucky having Don McClay as the driver of their bus as he showed them all over Hobart and other tourist attractions. Don was the same driver of the parlor coach which was trapped in the bush fire area and he was able to give the girls an accurate description of the fires as they toured through burnt country towns and the city itself. The girls were able to bring home pieces of glass which had once been bottles and had melted as a result of the intense heat.

Highlight of the trip was a visit to Port Arthur where the guide informed the parties that the Brooklyn girls were the best behaved marching girls ever to go through the old ruins. The shops around the area were saying the same thing. The instructor and chaperone were very proud of them indeed.

They returned home on Tuesday last week after travelling 900 miles and a trip they will never forget.

Next Easter they hope to go back again to tour the East and West Coasts after being told that it is even prettier than what they have already seen. Any girls wishing to join this club may do so by ringing 314-5647.

WANTING FOR ALTONA CAR SALES

STAN McINTOSH

Another month has come round, and although the weather is still with us, summer time is still in the air. Because the forecasters predict many more warm days, we have stocked up with an extensive range of Wagons, each of which is available on our Personal Finance Scheme.

We know the warm weather can't last forever, so have reduced prices on every Wagon, hoping to clear, etc., entire stock. They are all available on \$20 Full Deposit, and very low weekly payments, ranging from \$20/- for a 1966 Holden, \$64/- for a 1959 model of the same make. Mind you, we are not restricted to Holden and Falcon, at the moment I am driving an exceptionally good, 3,000 mile 1963-64 Volkswagen 1500 Station Wagon, available for only \$9/- weekly. You can see and drive any one of the nine Wagons in stock without obligation, and at our own convenience.

Now on to more important things. If you are already one of our customers, you have by now received an invitation to the barbecue to be held at the Car Yard at 7.30 this Saturday night.

If you attended our Christmas Barbecue, you now you are in for a good time. If you missed that one, don't miss this one, as it will be bigger and better, featuring professional Go-Go Girls, Altona's top band, vocalists, first-class service of sizzling steaks and sausages, etc., and of course those all important liquid refreshments, mixed and served by experts.

If you are interested in attending, please ring us on 65-8995, or after hours at my home, on 65-8533, by Thursday night, to assist with catering arrangements.

Hoping to see all of our friends on Saturday night,

Yours sincerely,

STAN McINTOSH.

Footballers Practice at Castlemaine

Altona Football Club played two games against Castlemaine last Sunday. The first match commenced at 1 p.m. and with conditions near perfect, the stage was set for an entertaining afternoon.

The Castlemaine Reserve XVIII soon showed their superiority and with better teamwork and understanding, ran up a handy lead by half-time.

The pattern of the game remained unchanged in the second half and Castlemaine ran out easy winners.

However, Altona Reserves should reap great benefit from this game, as many players were strange to each other and lacked a real opportunity to settle down because of the number of players who had to be given a run.

The form of John Duncan, Bill Thompson and Ron Pritchard was watched with plenty of interest, as these lads are considered definite senior material. All played well and showed promise. Bob Meddings was possibly Altona's best player in this game, and made few mistakes in the back pocket.

The main match commenced at 3 p.m. and it was arranged for 30-minute quarters.

Both sides looked fit, and very eager to play. The game opened at a fast pace and Castlemaine were into stride with first score of a goal. Altona were quick to even the score. Ian Rielly was in everything and giving Altona great drive from his half forward flank.

Altona attacked again for another quick goal and the pace was really on. Ron Schwabe was marking well at full forward, but his kicking was well off line.

Altona kicked three points in a row, then two goals. Castlemaine retaliated with a goal. Altona another and the first term ended with Altona 5-4 to Castlemaine's 2-1.

Pace was still the key note at the second quarter opening.

The Magpies were quick into stride and a lovely running drop kick paved the way for a major. Poor kicking cost Castlemaine goals and only four behinds were scored in as many strong attacking moves.

Altona's big John Petersen was playing grandly in the ruck and was a hard man to counter. However, this was Castlemaine's quarter and Altona managed to only score three behinds to the Magpies' 2-8 during this term. Half-time showed Altona 5-7 to Castlemaine's 4-9.

The third term commenced with supporters of both teams getting ready for an exciting second half.

Castlemaine goaled, but Altona were coming back strongly once again, with Del Yorke, Bob Combes and Tim Gurry in everything. Ron Schwabe took a screamer and kicked accurately and Altona were getting on top.

Altona finished the quarter leading 10-11 to 8-13.

The final term started with both teams struggling for the break.

Play see-sawed and solid defence by Yorke broke up forward moves by the Magpies.

Altona got through for a goal and Castlemaine were quick to reply with two sixers. Then Altona scored again through Graeme Morrish after clever handball and a long torpedo.

Castlemaine were showing signs of wear and were slowing down. Altona were finishing much more strongly and taking the game over. The final siren sounded with Altona 16-14 to Castlemaine's 11-17.

Del Yorke was voted best on the ground by the central umpire, but both Altona and Castlemaine had many good players.

Altona play two practice matches at home to Deer Park this Saturday. The first game will commence at 12.30 p.m.

ALTONA'S THANKS TO CASTLEMAINE

The highlight of the day at Castlemaine last Sunday was the wonderful hospitality of the Castlemaine Football Club to the visiting Altona team. Players, committee, wives and friends were treated to refreshments and buffet style eats after the game. This expense was carried
